

Pet of the Week

Duke!

Meet Duke! This handsome 8-year-old boy is the definition of cuddly! You always know Duke is near because he will purr the second you walk into the room! Duke came to OC Animal Care as a stray in September and quickly became a staff favorite. Our medical staff recognized signs of some senior-related medical conditions (mild skin and eye-related) upon arrival, but he has been enjoying all of the love and attention he has received while in our care. Duke's favorite hobbies include finding the coziest blanket to lay on, leaning into your hand when you pet him, and eating any yummy treat he can get! Duke will make an amazing cuddle buddy for any lucky adopter, and he will be sure to steal your heart with his loving personality!

Think Duke might be purrfect for your family? Call (714) 935-6848 to set up an adoption appointment today!
