

Pet of the Week: Spike!

Say hello to our Pet of the Week, Spike! Spike arrived at our shelter back in October of 2021 and we immediately fell in love with his energetic and cheerful personality! Spike loves to go on walks with his human friends, stopping to smell the flowers along the way, and making friends with anyone he passes by! Spike recently went on one of our Pack Walk Adventures and did wonderfully around the other dogs! He showed very nice manners towards the others and might do well with a dog sibling who can match his bouncy style of play. This handsome boy is rarely ever seen without a smile, and he knows how to sit like a gentleman, waiting patiently for a treat! Spike would make the best walking, hiking, or running buddy as he walks nicely on a leash and loves the outdoors!

Interested in adding Spike to your pack? Call (714) 935-6848 to schedule an adoption appointment today!
