

Pet of the Week: Channing!

Meet Channing, our Pet of the Week! Channing is a 10-year-old Pit Bull who is looking for a loving home where he can live out his golden years! Channing arrived at OC Animal Care as a stray and has made many friends while being in our care! This handsome boy loves anyone and everyone he meets, and he will even sit nicely for treats! Give Channing a toy that squeaks, and he will be your best friend for life! Fetch is one of Channing's favorite games, and he's even very good at tossing the toy around for himself if you need to take a little break! Channing has some minor skin allergies that are easily manageable but might need some follow-up care from a family veterinarian. This adorable boy is ready to find a family where he can have some fun playtime, then cuddle on the couch in a pile of blankets while you watch your favorite TV show!
