

Pet of the Week: **Cali!**

Cali is a 4-year-old Border Collie mix who arrived at OC Animal Care back in April. Though she was very nervous upon arrival, our Staff and Volunteers have had the absolute pleasure of watching her grow and open up! Cali loves her walks and has very nice leash manners. She is an active girl who would make the best walking, running, or hiking buddy in her new home! The only thing Cali loves more than walks is the pool! Cali is definitely a water dog and loves taking a splash in the pool every afternoon...only to be followed up by belly rubs, of course! Though Cali may come across as a little shy, don't let that fool you! Once she labels you as her best friend, you'll have a friend for life! Cali is looking for an adult-only home.
