

# PET OF THE WEEK

# DOTTIE

ANIMAL ID#: A1788585

In October 2022, Dottie was found tied up to a bench in a park with her precious puppies. Soon after her arrival at OC Animal Care, she was placed with a foster family to care for her 7 pups. Now that they are grown and adopted, this loving mom is ready for adoption herself! Dottie can come off as a little shy at first. Once she has time to get to know you, she will warm up. One way to win Dottie's heart is by taking her on walks and teaching her more tricks! Dottie was beginning to be potty-trained in her foster home, but she'll need more practice once there's a routine in place.

If you're looking for a sweet, playful girl, then Dottie would make the perfect addition to your family! To adopt Dottie, call (714) 935-6848 and mention Animal ID# A1788585.
