

# PET OF THE WEEK

# VINCENT

ANIMAL ID#: A1788687

Vincent loves spending his days going on long strolls, people watching from under a shady tree, then getting lots of belly rubs before drifting into a nice long nap before dinner.

As a five-year-old German Shepherd, Vincent loves a good challenge. He has mastered the art of sitting for a treat and he's currently practicing his ability to shake hands!

This friendly boy has been featured at Pooches on the Patio and participated in our Pack Walks, and he's been nothing but a gentleman around his furry mates. Although Vincent does well around other dogs, he has infinitely more fun if his human friends are with him! Vincent has been known, while on his walks, to take breaks to give a hug to whoever is walking him.

If you're looking for a loyal companion, who has so much love to give, then Vincent is the boy for you! To adopt Vincent, call (714) 935-6848 and mention Animal ID# A1788687.
