

PET OF THE WEEK

TURNER

ANIMAL ID#: A1793861

Meet your newest walking buddy! Two-year-old Turner is a happy German Shepherd who loves going on long strolls. Turner came to OC Animal Care as a nervous stray, but over time, we've come to learn that Turner has the most calming presence. Turner loves showing off that he knows how to sit, is motivated by yummy treats, and enjoys spending time with his furry friends at the shelter. Although Turner is quick to befriend other dogs, he takes an old school approach when it comes to humans. He prefers to go on several play dates before calling anyone his best friend, so we think he'll do best in a home with adults only.

Looking for a pal that will stop and smell the daffodils with you? Turner is your boy! To adopt Turner, call (714) 935-6848 and mention Animal ID# A1793861.
