

# PET OF THE WEEK

## BABY DOLL

ANIMAL ID#: A1812128

Meet 4-year-old Baby Doll! Behind her initial shyness, Baby Doll is a cat with a rich personality waiting to be discovered. She may even surprise you with her hidden talents or playfulness, once she feels safe! Upon arrival, our medical staff noticed that her coat was quite thin. Although regrowth of her hair can be seen, she may need additional follow-up care.

With some extra TLC, we are hopeful this beautiful girl can continue to grow and blossom in her new home!
