**Fireworks are loud and scary! Bring your pet indoors and provide them with a safe space.**

- Designate a quiet room or crate for your pet.
- Keep doors and windows shut, and keep curtains closed.
- Place a sign on the door so no one enters the room.
- Play calming music in the background, or have the TV playing, to distract your pet from the loud noise.
- Give your pet their favorite chew toy, or a Kong, to keep them busy.
