

PET OF THE WEEK

ZEUS

ANIMAL ID#: A1818909

Meet Zeus, our longest resident at OC Animal Care. This mighty pup is ready to reign over your heart as your new best friend and lifelong adventure buddy. With energy like a lightning bolt, Zeus is looking for an active family who can keep up with his legendary zoomies.

Zeus loves going on walks so much that he's ready to take on a permanent role of being your forever walking partner! He'll happily sit for treats and sometimes, unleash his silly siren sounds just to make you smile.

In true godly fashion, Zeus has made history; he's our first pup to become Pet of the Week twice! Will you answer the call of the gods and give this pupreme ruler the throne (aka home) he deserves? Call OC Animal Care at (714) 935-6848 and mention his animal ID A1818909 to foster or adopt Zeus today!
