

PET OF THE WEEK

FLUFFY

ANIMAL ID#: A1647484

Fluffy is like a marshmallow. He's soft, sweet, and absolutely irresistible! His soft and fluffy fur makes him a perfect candidate for all your snuggling sessions, and his sweet and charming personality makes him an ideal, furry companion.

Fluffy loves greeting everyone with tail wags and he'll immediately want pets too! He loves running around in the yard, sitting for treats, and sniffing his surroundings like he's got so much to do. He prefers to be the center of your attention and would do best as the only pet in the home.

Don't miss out on meeting and adopting this cutie pie. Call OC Animal Care at (714) 935-6848 to schedule a visit with Fluffy (A1647484) today!
