

PET OF THE WEEK

LEONA

ANIMAL ID#: A1843690

Leona is a bundle of joy who's ready to be your happily ever after! She's full of love, energy, and charm. While she might not hit the high notes like her famous namesake, Leona's zoomies are worthy of a standing ovation!

She's a social butterfly who adores people, loves sitting for treats, and can't resist belly rubs. If you have a pool, get ready for some splashing good times because she will be in absolute doggy paradise!

Leona would thrive in a home without children and where she's the sole furry princess. If this three-year-old cattle dog mix sounds like the pet you're looking for, call OC Animal Care at (714) 935-6848 and mention her animal ID A1843690 to adopt or foster her today!
