

PET OF THE WEEK

JORDAN

ANIMAL ID#: A1888147

Meet Jordan, a sweet and friendly 4-year-old German Shepherd who's thriving in her foster home and ready to find her forever family!

Jordan likes to match the energy of the person she's playing with, making her a perfect fit for families looking for a big, playful companion. She's already mastered her basic commands and has been working on mastering more, especially when treats are involved!

Not only is Jordan crate-trained and potty trained, but she also enjoys her daily walks and obedience sessions. Whether her foster parents are working from home or in the office, Jordan does great and is happy to relax until it's playtime again.

If you have other furry friends at home, with slow and proper introductions, Jordan may become their new best buddy! If Jordan (A1888147) sounds like the perfect pet for you, then call OC Animal Care at (714) 935-6848 to schedule a visit with her!
