

PET OF THE WEEK

ANISTON

ANIMAL ID#: A1876720

Make way for a big hunk of love! Five-year-old Aniston is a Dutch Shepherd mix who just met his one-year anniversary at the shelter. While he's been soaking up the love from our staff and volunteers this past year, what Aniston really wants is a forever home with a loving family.

Here are five reasons why Aniston could be your perfect match:

- 1.He's handsome and strong.
- 2.Champ at "sit" and eager to learn more!
- 3.LOVES playing fetch; keeping you entertained and active.
- 4.Great at self-play with toys, especially when you need alone time.
- 5.Can be affectionate and cuddly as long as belly rubs are included!

If Aniston sounds like the pet you're looking for, please call OC Animal Care at (714) 935-6848 and mention his animal ID A1876720 to foster or adopt him today!
