

# PET OF THE WEEK

## SCRAPPY

ANIMAL ID#: A1910299

Scrappy is a certified cuddle bug who's happiest when snuggled up by your side! This affectionate pup thrives on human connection and would love a home where the hugs never run out.

If you wish you could've adopted Scrappy when he was a puppy, don't worry! At three-years-old, he still has that puppy charm! He has playful energy, silly antics, and endless affection. He especially loves greeting everyone with big hugs and sloppy kisses.

Scrappy already knows his basic commands, is dog friendly, and with some training and lots of love, he's ready to become your perfect companion. With his enthusiastic personality, he would do best in a home with adults and older children. Give Scrappy (A1910299) a chance and foster-to-adopt him today!
