

PET OF THE WEEK

WALLY

ANIMAL ID#: A1915737

Did you know that senior cats make some of the best companions? With their mellow demeanors and relaxed attitudes, they're perfect for anyone looking for a calm, loving friend.

That's where Wally comes in! This 10-year-old gentleman knows exactly what he wants: 15 minutes of affection followed by some well-earned alone time in his cozy bed. He's the purr-fect mix of friendly and independent, giving you head bumps one moment and catching Z's the next.

Wally still has a playful side. He enjoys swatting at toys (and maybe your hand!) with the energy of a kitten, but he's ready to enjoy his golden years in a peaceful, loving home.

Are you ready to let Wally (A1915737) retire in comfort by your side? Call OC Animal Care at (714) 935-6848 to meet him today!
