

PET OF THE WEEK

SORSHA

ANIMAL ID#: A1910882

Sorsha is one of the smartest dogs at the shelter! This 4-year-old German Shepherd is sweet, affectionate, and always eager to learn. She picks up new commands quickly and responds beautifully to treats and positive reinforcement.

Sorsha loves a good game of fetch, working on puzzle toys for mental enrichment, and showing off her growing list of tricks! She already knows sit, shake, down, leave it, touch, and stay, and she's ready to learn even more with her future family!

While Sorsha prefers to be the only pet in the home, she has more than enough love and personality to fill your heart. If you're ready to meet your new best friend, come foster-to-adopt Sorsha (A1910882) from OC Animal Care today!
