

PET OF THE WEEK

CHARLY

ANIMAL ID#: A1763263

Charly is an affectionate boy who already knows his basic commands and is potty trained. He loves making new friends, especially with humans who can give him an infinite amount of pets and belly rubs!

After being adopted, rehomed, and returned to OC Animal Care, Charly has nothing but high hopes. He would do best as the only dog in the home or with a compatible companion. Charly may love people and treats, but he can be picky about making new doggy friends. If you have a furry friend at home, we recommend slow introductions for a successful bonding.

Does Charly sound like the pet you're looking for? If so, call OC Animal Care at (714) 935-6848 and mention his animal ID A1763263 to foster-to-adopt him today!
