

PET OF THE WEEK

DAYLILY

ANIMAL ID#: A1933207

Daylily is a sweet soul still learning the world is a safe place. The 2-year-old boxer mix is good on a leash and is looking for a calm and patient family to help her continue to blossom. She comes from a tough home where she competed for attention with a dozen other dogs. She has come so far in her time with OC Animal Care and now loves taking walks!

Daylily thrives with gentle touches and soft voices and does best with slow introductions. If you're ready to provide Daylily a loving home, call OC Animal Care at (714) 935-6848 and mention her animal ID, A1933207, to foster-to-adopt her today!
