

# PET OF THE WEEK

## BANNER

ANIMAL ID#: A1934011

Three-year-old Banner is a lovable Pit Bull mix, and he's been a bundle of joy since arriving as a stray in September 2025. We know his perfect match is out there.

Banner has so much to offer and he has many qualities!

- He knows "sit," "paw," "down," "wait," and "come."
- He walks like a pro on leash.
- He's potty trained.
- Banner believes he is, in fact, a lap dog (all 69 pounds of him).

Banner (A1934011) is fun, affectionate, and loyal. Are you ready to meet your oversized lap dog? Call OC Animal Care at (714) 935-6848 to schedule a visit with Banner or one of his friends!
