

# PET OF THE WEEK

## LEXI

ANIMAL ID#: A1926478

Meet Lexi, a 4-year-old Pit Bull who's ready to shower her new family with lots of love. Lexi is potty trained, calm and gentle, and knows commands. Her favorite thing to do is roll over for belly rubs!

Lexi is great on walks, treat-motivated, and has been fantastic during her Dog's Day Out Pilot Project field trips. She has attended multiple off-site adoption events where she did well around other dogs, adults, and children. Those who interact with Lexi describe her as a mellow dog who's sweet and easy to handle.

If Lexi (A1926478) sounds like the dog you're looking for, foster-to-adopt or adopt her or her friends from OC Animal Care today!
