

PET OF THE WEEK

BAXTER

ANIMAL ID#: A1923709

Baxter is a man of few words. He doesn't ask for much, just your company! He's an 8-year-old Catahoula who's content being mellow and calm. His relaxed personality makes him an easy dog to handle, and once he warms up, he loves leaning in for affection.

Baxter loves rolling on the grass, going on walks, and has been fantastic during off-site adoption events around other dogs, adults, and children. Are you ready to meet your new best friend? Schedule a visit with Baxter (A1923709) or his friends at OC Animal Care!
