

# PET OF THE WEEK

## JULIA

ANIMAL ID#: A1953610

Julia is an adorable and sassy 5-year-old Domestic Shorthair with a personality that's impossible not to love. She enjoys her independence and takes her "me time" very seriously, usually while lounging comfortably in her bed like the queen she is.

Julia is looking for an adult only home that understands the fine art of loving a cat on her terms. In return, she'll provide her trust and charm. If Julia (A1953610) sounds like your purr-fect match, adopt her or any of her friends at OC Animal Care!
